New members will be issued a conditional membership (RED CARD), which requires they fly only under the direct supervision of the sponsor listed below. When new members demonstrate flying proficiency, the sponsor will notify the club officers, a permanent (YELLOW CARD) will be issued and "solo" flying is permitted.

Field Rules (partial listing):

1. Parking in designate areas only
2. Pilot station must be used, one instructor, one student
3. No flying over restricted areas
4. Sponsor member must accompany guest flyer and be responsible for guest activities at the field. Guest must apply for member ship after a maximum of 3 visits
5. Mufflers on all engines must meet 90dB @ 9 ft.
6. Radio impound must be used for all radios without frequency pins
7. Please carry out your trash as there are no services provided
8. Current AMA card must be installed in pin slot on frequency board
9. Only 3 pilot stations at a time
10. No taxiing in the pit area
11. Pilot or assistant must remain hands-on control of plane until it is on runway.
12. Any violation of AMA or the above rules is subject to immediate revocation of flying privileges and membership in the Adirondack Modelers.

I have read and fully understand the rules and any violations may be cause for suspension.
